

**THE ULTIMATE  
CONCRETE  
PRODUCTS**

The background is a complex collage. The top half shows a city skyline with various skyscrapers under a cloudy sky, with a construction crane on the left and an airplane in flight. The bottom half shows a person's hands holding several rolled-up white architectural blueprints. The overall color palette is dominated by blues, greys, and warm golden tones from the city scene.

# ABOUT US

Established in 2012, Parshwa Cement Products is a known name in construction industry. We thoroughly understand the concepts of quarry & crushing and offer products like Aggregate, Cement RCC Hume Pipes and Concrete blocks in different diameters. We are dedicated to supply Cement RCC Hume Pipes, Blocks & Bricks, Aggregate, Masonry Stone and GSB to numerous Civil Contractors.

Our manufacturing and sale methods are based on The Consultative Selling Approach, where our key focus is to understand customer's needs and deliver customized

products & services. We have a team of experts who get in touch with you, solve your queries and collect your requirements. Based on this information, we provide product recommendations and details regarding Cement Products and aggregates sizes which are best suited for your project.

Parshwa Cement Products is known for honesty and integrity. Since we never compromise on the quality of the products we supply, you can be sure that they will meet your project standards. Keep your worries aside and let us serve you the best!

## CORE VALUES

INTEGRITY

QUALITY

TRANSPERANCY

### Our Vision

The only goal that encouraged us to enter this vast industry is proving our expertise and setting an example for serving best quality products. Our defined logistics and warehousing facility enables us to visualize and realize the goal.

### Our Mission

- To delight our clients worldwide by supplying premium quality products at reasonable rates.
- To inspire our employees to work passionately and harmoniously
- To equip our workforce to be globally competitive
- To continually improve our business processes
- To contribute to the growth & betterment of society while growing ourselves

## WHY CHOOSE US

### Finest Quality

We are committed to supply premium quality products to our customer. Our experience in the field enables us to understand our customer's needs & provide products with customized quality, size, packing & grading.

### Best Prices

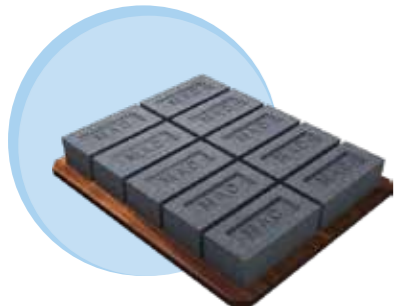

We understand that quality and costing goes hand-in-hand, hence we believe in offering the best prices in the market. Just ask for a quote.

### Timely Delivery

Time is of essence in construction industry, and we completely agree. We pledge to deliver product's shipment within committed time.

## Bricks

We produce high quality building blocks for the construction industries with the block strength tested on a computerized machine to meet the standards set by Standards requirements. For customer satisfaction we have invested in a computerized testing machine with an on-spot result to check the strength of the blocks.

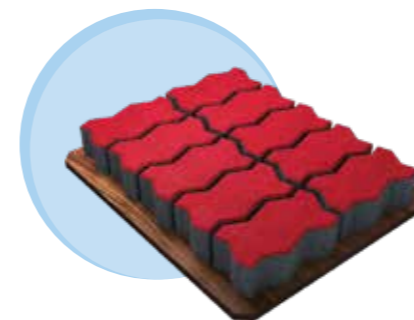

### FLY ASH BRICK

230 x 110 x 75 mm

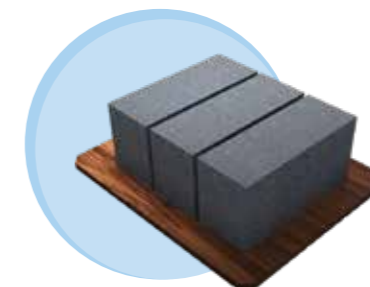

### INTERLOCKING BRICK

230 x 140 x 110 mm  
230 x 120 x 125 mm  
Customized (As per Req.)

### ZIGZAG PAVER BLOCK

225 X 112.5 X 80 mm  
225 X 112.5 X 100 mm

### SOLID BLOCK

400 x 200 x 200/150/100 mm  
300 x 200 x 200/150/100 mm  
Customized (As per Req.)

### I-SHAPE PAVER BLOCK

200 x 165 x 80 mm

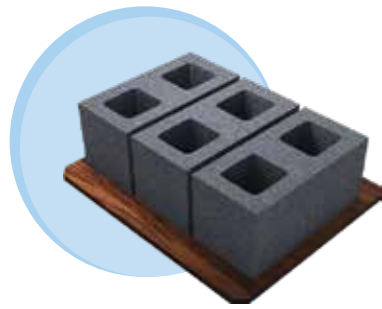

## VIBRO COMPACTING CONCRETE SHAPING TECHNOLOGY

CONCRETE STRENGTHENING UPTO M50
